

# Villagio Weekend Update

**FRIDAY, SEPTEMBER 17, 2010**

## PARKING STICKERS

As a resident of Villagio you should have either a blue or green numbered parking sticker on your vehicle's bumper or on the back window. Vehicles that do not have this sticker are subject to removal from the property, unless they have a visitor's pass on their dash. Effective October 1, 2010 any vehicle that does not have a parking sticker is subject to removal. The cost to recover your vehicle from the towing company starts at \$250.00

## MONDAY NIGHT MOVIE

"Casablanca" will be shown on **MONDAY, SEPTEMBER 20** Villagio's Cinema Delphino. Starring Humphrey Bogart, Ingrid Bergman and Paul Henreid. This classic movie is set in unoccupied Africa during the early days of World War II: An American expatriate meets a former lover, with unforeseen complications. Remember also that the Bar Amici and Cinema Delphino will not open until 7 p.m. on Tuesday evenings.

## TRIMMING CONTINUES

Villagio's landscape contractor is working across the community trimming the palm

trees. These trees are trimmed each year as part of the overall maintenance program. The contractor should be on the property for another week to ten days. They are also trimming the ficus bushes and other fast growing plants.

## SPEED CONTROL

Due to the excessive speed that some residents are travelling through the community, a speed control device has been installed at Villagio. Over the next week or so the device will record speeds travelled through the community. Residents are reminded that the speed limit in Villagio is 15 miles per hour. Following the speed study recommendations will be considered to further reduce speeds in the community.

## ROAD PATROL

The first of the Sheriff's Department road patrol took place last weekend. The officer spent four hours driving and walking the community, talking with residents, checking vehicles and otherwise providing a presence at Villagio. The officer will be scheduled for additional hours throughout the month. Residents will continue to see an increase in Sheriff's patrol cars on the property. This ongoing program includes random patrols by the Sheriff's Department.
